

Our school - a „School without racism, school with courage“.

SCHULE OHNE RASSISMUS

SCHULE MIT COURAGE

Erasmus+

After some activities our school got the title „school without racism-school with courage“. The great ceremony was on 25th February 2014 in the gym of our school. This is how we show Teterow and the surrounding area that we reject extremist beliefs and enhance and promote democracy and human rights.

In summer 2013 87 % of the school members signed against discrimination, bullying and violence. We are the 28th school in Mecklenburg Vorpommern which got the titel.

SCHULE

MIT COURAGE

A varied program with student contributions as well as musical highlights of Susi Koch and the band 'Zaunpfahl' inspired all members, but also made them think.
